Do you know where you're going?

Big picture goals!

This is Not "School at Home" –

There is NO perfect recipe –

Comparison is the death of contentment.

Don't let fear overwhelm you. You are NOT disqualified from teaching by the limitations of your current knowledge.

Less is more!!!!

Start slow –

Know your children –

Break the stake – It's ALL made up!

Command your curriculum - If it's not working . . . stop –

Seasons –

- Early Learners – Engage
- Middle Learners – Excite
- Older Learners – Expand
- Empty Nest – Enjoy!
- Challenging times – Endure with thankfulness and peace

Philosophy of Language Arts! – because everyone asks 😊

Balance! – Remember your goals!
